

21-23 OCTOBER 2017

PAT'S ANNUAL RETREAT

3 days away from desk

We joined together to make it happen again for three-days off work at Sihanouk Ville. One more year passed, more responsibilities for PAT Team member, but we have never forgotten to take it off a few days to enjoy our ordinary life, a life without timing, reporting and deadline pressure.

We were able to enjoy and share many great moments on the beach such as BBQ with Cocktails and dancing on the beautiful beach, sightseeing and diving during a three-island boat trip to Koh Rong, Koh Koun, and Koh Rong Sonloem.

After the trip, we prepare ourselves ready for New Year Peak Reason of Tax and Auditing.

We, together!
